

Town of Stow Master Plan Survey 2008

Don't forget to complete your survey before December 15, 2008.

IT'S ALL ABOUT YOUR PRIORITIES!

How do you feel about Land Use, Housing, and Municipal Services?

This is your chance to be heard and to be counted as we develop an actionable plan for the future. Survey results will be used to prepare the updated Master Plan for the Town of Stow.

YOUR OPINION COUNTS!

Every voice will help shape the place where we live, work and play -- the Town we call home. A broad response from the community is the best way to build an unbiased plan that reflects the priorities of the residents.

In the next few weeks, please make your response to the Master Plan Survey one of your priorities.

Complete the survey on-line at www.stow-ma.gov or by mail.

Your participation will allow you to look back during the year 2020 and say "I had a chance to provide my opinion, and it made a difference."
